No liabilities will be considered against UV Gulf Co. Ltd. for failure, damage or other occurrence to client-owned or operated equipment due to misuse, improper installation, poor maintenance, environmental condition, nature disaster, operator mistakes and uncontrolled operation. The concerned inspector or representative has thoroughly examined the item in accordance with relevant standards. Inspection indicates that the mentioned item/machine/tools has no apparent defects which may prove dangerous during normal operation and its found satisfactory for normal use under specified manufacturer manual guide and operated by a certified operator. This certificate shall not be generated without an official approval in between UV Gulf and client. This certificate becomes invalid if any modification/alteration is made to the item.
